

PLAM STAMP CLEANER

Mould cleaner

DESCRIPTION

Plam Stamp Cleaner Isoplam[®] is a neutral cleaning liquid specially formulated for cleaning rubber moulds for moulded floors and walls.

Thanks to its special formulation, the powder of the Plam Rele releaser and the Plam Liqui Rele are effectively removed without damaging the rubber of the moulds.

CHARACTERISTICS

Plam Stamp Cleaner:

- It has little foaming content;
- It is not corrosive;
- It has no fragrance.

HOW TO USE

Dilute Plam Stamp Cleaner 1:1 with water and apply to the mould to be cleaned.

Massage with a soft broom or brush and rinse thoroughly.

Let the mould dry completely before using it for new moulding phases.

PACKAGING AND STORAGE

Plam Stamp Cleaner is supplied in 20 Lt jars.

If stored properly, it is guaranteed for 24 months. The date of packaging is indicated on the package (the batch number indicates, in sequence, year/week/day).

He's afraid of freezing.

SECURITY

Consult the safety data sheet before use. Plam Stamp Cleaner is intended for professional use only.

IMPORTANT: all the information contained in this card is based on the best practical and laboratory experiences. It is the customer's responsibility to verify that the product is suitable for the intended use. The manufacturer declines all responsibility for the results of incorrect applications. It is advisable to always carry out tests on small surfaces before application. This card replaces and cancels the previous ones. The data can be changed at any time. Please also note that Isoplam products are intended for professional use and that Isoplam provides periodic training of its customers who request it. Anyone who uses these products without being authorised does so at their own risk.
