

WAX CLEAN

Wax washer cleaner

DESCRIPTION

Wax Clean Isoplam® is a special waxy, water-based cleaner for cleaning and maintaining decorative concrete, tile, or wood interior surfaces. Thanks to its particular formulation it cleanses and at the same time creates a very thin veil that gives the pavement resistance to pedestrian traffic and dirt, giving shine to the surface.

FIELDS OF USE

Wax Clean Isoplam® is widely used for the periodic maintenance of floors already treated with waxes which, due to wear, begin to deteriorate.

CHARACTERISTICS

Wax Clean Isoplam® has the following features:

- gently cleans surfaces;
- gives shine to surfaces;
- protects surfaces by increasing their resistance to abrasion and dirt;
- does not produce foam;
- dries quickly;
- does not require rinsing;
- it doesn't leave streaks.

WAY OF USE

Mix the product well before use.
Wax Clean should be used diluted in water in a ratio of 1:10 (0.5 Lt of product in 5 Lt of water).
E' possible use with with mop or rag.
It does not need rinsing.

TECHNICAL SPECIFICATIONS

DESCRIPTION	
Physical appearance of the product	Colored liquid
Smell	Scented
Relative density	0,98 Kg/Lt
Ph undiluted product	6,5-7,5

Solubility	Complete in water
Flashpoint	>60°C
Dry residue	20%
Biodegradability	The surfactants contained comply with the requirements for complete aerobic biodegradability set out in Annex III to EC Regulation 648/2004

CONSUMPTION

Yield per 5 Lt of product (one pack): approximately 10 washes.
