

WOW

Cleaner for decorative surfaces

DESCRIPTION

Wow Isoplam[®] is a special delicate alkaline detergent used for cleaning decorative cement surfaces. Its particular formula cleanses and degreases effectively without damaging surfaces such as those in Microoverlay[®] and Skyconcrete[®], leaving them free of streaks.

FEATURES

Wow presents the following features:

- does not produce foam;
- it's not corrosive;
- has a delicate, surface-friendly formulation;
- dries quickly;
- does not require rinsing;
- leaves no halos;
- can also be used with single disc or washer dryer.

APPLICATION

Wow can be employed as a cleaner for surfaces such as:

- flooring of offices, schools, communities in general;;
- ceramic objects;
- chromed and enamelled objects and surfaces;
- plastic surfaces;
- fixtures;
- any cleanable surface in general.

HOW TO USE

Wow should be used diluted in water: dilute 0.05 liters (about one cap) of product in 10 liters of water.

It is possible to use it with a single disc, washer-dryer, mop or clean cloth (if used nebulized for cleaning objects).

Does not require rinsing.

TECHNICAL FEATURES

DESCRIPTION
